Advisory Action Before the Filing of an Appeal Brief

Application No.	Applicant(s)		
10/537,649	KAGIWADA ET AL.		
Examiner	Art Unit		
JAMISUE A. PLUCINSKI	3629		

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

THE REPLY FILED 12 MARCH 2008 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE.	
1. 🛮 The reply was filed after a final rejection, but prior to or on the same day as filing a Notice of Appeal. To avoid abandonment of th	is
application, applicant must timely file one of the following replies: (1) an amendment, affidavit, or other evidence, which places the	e

s the application in condition for allowance; (2) a Notice of Appeal (with appeal fee) in compliance with 37 CFR 41.31; or (3) a Request for Continued Examination (RCE) in compliance with 37 CFR 1.114. The reply must be filed within one of the following time periods:

a) The period for reply expires 3 months from the mailing date of the final rejection.

b) The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection.

Examiner Note: If box 1 is checked, check either box (a) or (b). ONLY CHECK BOX (b) WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f).

Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

NOTICE OF APPEAL

filing the Notice of Appeal (37 CFR 41.37(a)), or any extension thereof (37 CFR 41.37(e)), to avoid dismissal of the appeal. Since a Notice of Appeal has been filed, any reply must be filed within the time period set forth in 37 CFR 41.37(a).

AMENDMENTS

- 3. X The proposed amendment(s) filed after a final rejection, but prior to the date of filing a brief, will not be entered because (a) ☑ They raise new issues that would require further consideration and/or search (see NOTE below);
 (b) ☐ They raise the issue of new matter (see NOTE below); (c) They are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or
 - (d) They present additional claims without canceling a corresponding number of finally rejected claims.
- NOTE: See Continuation Sheet. (See 37 CFR 1.116 and 41.33(a)). The amendments are not in compliance with 37 CFR 1.121. See attached Notice of Non-Compliant Amendment (PTOL-324).
- Applicant's reply has overcome the following rejection(s): 6. Newly proposed or amended claim(s) would be allowable if submitted in a separate, timely filed amendment canceling the
- non-allowable claim(s). 7. X For purposes of appeal, the proposed amendment(s): a) will not be entered, or b) will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended.

The status of the claim(s) is (or will be) as follows:

Claim(s) allowed: 1-6.

Claim(s) objected to: __

Claim(s) rejected: _ Claim(s) withdrawn from consideration:

AFFIDAVIT OR OTHER EVIDENCE

- 8. The affidavit or other evidence filed after a final action, but before or on the date of filing a Notice of Appeal will not be entered because applicant failed to provide a showing of good and sufficient reasons why the affidavit or other evidence is necessary and was not earlier presented. See 37 CFR 1.116(e).
- 9. The affidavit or other evidence filed after the date of filing a Notice of Appeal, but prior to the date of filing a brief, will not be entered because the affidavit or other evidence failed to overcome all rejections under appeal and/or appellant fails to provide a showing a good and sufficient reasons why it is necessary and was not earlier presented. See 37 CFR 41.33(d)(1).
- 10. The affidavit or other evidence is entered. An explanation of the status of the claims after entry is below or attached. REQUEST FOR RECONSIDERATION/OTHER

- 11. X The request for reconsideration has been considered but does NOT place the application in condition for allowance because: See Continuation Sheet.
- 12. Note the attached Information Disclosure Statement(s). (PTO/SB/08) Paper No(s).

13. Other: .

/Jamisue A. Plucinski/ Primary Examiner, Art Unit 3629 Continuation of 3. NOTE: The Applicant has added the specific user or person to whom the order is being shipped to before confirmation of payment, which narrows the scope of the invention and therefore would cause further search and consideration.

Continuation of 11. does NOT place the application in condition for allowance because: First it should be noted that the applicant is arguing the art rejection based on the proposed amendment. The proposed amendment is not being entered therefore the arguments in regards to whom the order is being sent to before confirmation of payment are not considered to be persuasive. As stated in the office action, Fizzoil discloses the use of an order being sent with a payment quarentee, payment quarentees such CODs are old and well known within the shipping art. And the order is being sent to the customer before the confirmation of actual payment, due to the fact that the user will pay 'cash on delivey'. Therefore the examiner considers Fizzoil to teach this limitation. The applicant is only arguing the Kadaba rejection based on the fact that it does not teach the use of sending the order before confirmation of payment, the examiner considers Fizzoil to teach this limitation. The applicant is only argument to the use of "Bill me later" features, when a person orders from a catalog or off of TV. A paper bill will be mailed directly with the package. Therefore the use of sending an order before payment is being confirmed is old and well known in the art.
